HEALTH AND SAFETY

Due to COVID-19, we highly advise all parties concerned to follow and adhere to the National and Local Health and Safety Protocols provided by the Local Government unit to ensure that transmission of the virus is prevented. Safety Officers must be present for the whole duration of the event.

Please ensure that basic medicine and first aid kit is accessible for the whole duration of stay of the band and entourage. In case of serious emergency situations, it is strongly advised that the availability of hospital contact numbers, ambulance and medic must be considered and prepared, if injury or accident is caused by and within the premises of the show, venue and accommodation, client must be prepared to shoulder all medical expenses like (but not limited to) x-ray tests, laboratory tests, hospitalization, medications and other items prescribed by the attending physician.
